Prepared by Directorate of Naval Veterans

INDIAN NAVY – COMBAT READY, CREDIBLE, COHESIVE AND FUTURE PROOF

FOREWORD

1. The demise of a naval veteran leaves behind an enduring legacy of dedication, service and sacrifice. It is a situation of immense stress for the bereaved family. In these moments of grief, the path forward can often be challenging, particularly when it comes to navigating the processes required to secure benefits and various actions required by the NoK. A 'Check Off List' for NoK of Veterans - '*What after Me?*' has been prepared to ensure that families have a clear, organised pathway to progress post-demise formalities, without undue stress.
2. The 'Check Off List' brings out information on key areas, such as the procedure to claim the Demise Grant, Post Retirement Death Insurance Extension Scheme (where applicable), processing of Family Pension, guidance on accessing the Ex-Servicemen Contributory Health Scheme (ECHS), Canteen and other miscellaneous aspects. The contact details of concerned offices dealing with veteran affairs have also been included. Each section is presented in a clear, sequential format to help make these essential tasks, as manageable as possible.
3. We hope that this check list provides the requisite guidance and support, and helps to ease the burden that follows this profound loss.
4. The details provided in the 'Check Off List' have been collated from various publications and are subject to change from time to time. Therefore, this document is **to be used for guidance purpose only, and not be quoted as authority.**
